PEOPLE TURN TO THE REPUBLI-CANS IN THEIR DISTRESS.

the Great Republican Convention With a Speech Which is an Inspiration-He Relates the Follies and Blunders of the Democratic Party, the Sale of Bonds, That Direction.

chair today, Temporary Chairman Fairbanks of Indianapolis, addressed the Republican convention as follows: "Gentlemen of the convention, I am

ing chair cars. Pullman Palace and compartment sleepers and dining cars through to Los Angeles and San Diego; also with train carrying chair cars. Pullman and Tourist sleepers to El Paso. Los Angeles and San Francisco. Though railroad and steamship tiels. this convention will be the next pres-

"Three years of Democratic adminisof wasted energy, of anxiety and loss obligations of the government.

This is in sharp contrast with the onfidently, and it is for us to meet their expectations; it is for us to give them those candidates upon whom their hearts have centered, and to give them clear, straightforward, emphatic expression of our political faith. The Republican party is a party of convictions and it has written its convictions in the history of the republic with the superme question always has been not what is merely 'politic,' but what is everlastingly 'right.' The great men we have given to the nation, and to false to our country.

DEMOCRATIC INCOMPETENCY, "It turns to the currency as the parameter of the present administration, we operated under laws enacted by the Republican party. All great measures concerning the tariff and the currency originated with R. Tariff laws were formed upon lines which protected our laborers and producers from unequal and unjust foreign competition; and

rency was made national. The wild cat state bank money of the Demo-oratio party was wiped out of existence. The unprecedented demands growing out of the war were met by a paper currency which ultimately became as good as gold. Since the resumption of specie payments in 1879 every foliar of currency, paper, silver and gold, has "The very foundation of a sound currency was made an honest protective tariff to go with it. Sound money and an honest protective tariff go hand in hand tospecie payments in 1879 every foliar of gether, not one before the other.

tariff and honest money Republican laws, the country grew in wealth and power beyond precedent. We easily outstripped all other powers in the commercial trace on Norman to the commercial trace on Norman to the commercial trace on Norman to the last century of our his-WHAT SHOOK CONFIDENCE.

pledged itself to the overthrow and destruction of the McKinley law and to the adoption of free trade as the policy of the United States. This bold aggressive attack upon the long settled policy of the Republican party bore its natural fruit in shaken configure whether the policy of the Republican party bore its natural fruit in shaken configure whether the policy of the Republican party bore its natural fruit in shaken configure whether the policy of the Republican party bore its natural fruit in shaken configure whether the policy of the maintenance of an protective satural to the restoration of a protective satural to the maintenance of an honest standard to the maintenance of the them in the policy of the people. "A distinguished Republican has said that the supreme desire of the American and the policy of the United States. This bold an immutable laws that two moneys of unequal value will not circulate together. "A distinguished Republican has said that the supreme desire of the American and the policy of the people."

"A distinguished Republican has said that the supreme desire of the American and the policy of the people." dence; unsettled business, and we were soon drifting against the rock of desoon driving against the rock of destruction. Before the work of demolition had actually begun, a run was
started upon the treasury reserve
which the Republican party had wisely
accumulated for the protection of the
government oredit. The drain upon
the reserve for the redemption of at which the subject of an international agreement. Harrison, true to
the pledge of the party, took the intintory steps and invited an international monetary conference at Brussels
the reserve for the redemption of at which the subject of an international greenbacks and treasury notes greatly columne agreement was ably and profit-surpassed all prior experience and em-

the destruction of the McKinley law. But when they came to the exercise of the creative faculty, the enactment of a great revenue measure in its stead, there was discord. The imperiled interests of the country watched and walted through long and anxious months for some settlement of the important question. They are the country watched and this government can independently of the other great commercial powers open its mints to the free and independently that they are the coinage of silver at a ratio of 16 to a contract the country watched and they are the coinage of silver at a ratio of 16 to a contract the country watched and they have the contract the country watched and they are the coinage of silver at a ratio of 16 to a contract the country watched and they are the coinage of silver at a ratio of 16 to a contract the country watched and they are the coinage of silver at a ratio of 16 to a contract the country watched and they are the coinage of silver at a ratio of 16 to a contract the country watched and they are the coinage of silver at a ratio of 16 to a contract the country watched and they are th bill was adopted, and it was character-ized by a Democratic president as 'the out of circulation, but deceive themchild of perfldy and dishonor.' It was selves. so had that he would not contaminate his hand by signing. A bill that was too base for Mr. Cleveland to approve

deficiency grows day by day. This dred cent dollars at a parity with each leaves the treasury and the public other. An attempt to compel unlimited

Its blow at sheep husbandry was an unperdonable offense; it was a flagrant wrong to the farmers of the United wrong to the larmers of the United States. This great industry had devel-oped and grown under Republican pro-tective laws until it was one of the greatest. We are now sending abroad millions of dollars for wool which were p. m. paid to our farmers under the McKin-

one of the highest achievements in American statesmanship. No measure of gold, and our paper and eliver curves ever exacted which more directly racky would instantly and greatly deadwanced the interests of the American preciate in purchasing power. But one was ever enacted which more directly advanced the interests of the Ameron farmers and manufacturers than advantageous commercial agreements, mess demoralization would be increased under which their products were surely and still further and seriously injury Ho. McAlastar, I. T. Seding sarger and profitable foreign would be inflicted upon the laborers, Sci M. Main St.

markets, and without the surrender of their own.

> "To met the monthly deficit and proident and vice president of the great tect our credit and save the government from protest, the president has been test for commercial supremacy be forced to sell bonds; in other words he stroying our currency standard.

THE PARENT OF OUR ILLS. "It turns to the currency as the par-

our money, paper, silver and gold, has been of equal purchasing power the world over. The policy of the party has been to make and keep our currency equal to the best in the world.

"Under the operation of these honest the first of the currency. Recognizing the first of the first of the first of the soundness of the currency. Recognizing the first of the "The very foundation of a sound cur-

outstripped all other powers in the commercial race. On November 8, 1892, there was work for every hand, and bread for every mouth. We had reached high water mark. Labor received higher wages than ever and capital was profitably and securely employed. The national revenues were sufficient to meet our obligations and surplus in the treasury. For sue of greenbacks. Witness its opposi- lican party-a party which has given to eign and domestic trade were greater in volume and value than they had ever been. Forign balances were largely in our favor. European gold was floating toward us. But all this is changed. The cause is not hard to seek. A reaction been when it was seek. A reaction began when it was of silver. It has always favored and upon us. The great questions for de known that the legislative and execu-favors today the use of silver as a part bate in the August Forum of the Unit tive branches of the government were of our circulating medium. But it fa- ed States are free trade and silver to be Democratic.

vors that use under such provisions against 2 protective tariff and sound and safeguards as shall not imperil money. As we regard our homes and our present national standard. The our honor, our happiness and prosperity "The Democratic party had at Chicago condemned the protective tariff
plea as unconstitutional; and solemnly
pleaded itself to the overthrow and deour circulating medium, while the polto the restoration of a protective tariff

INTERNATIONAL AGREEMENT. "The Republican party, desiring fairphasized the discredit into which the Democratic administration had fallen. An utter want of confidence in the administration possessed the people.

"The Democratic party was harmonious upon one subject and that was the destruction of the McKinley law. McKinley law and sent the transfer of the subject and the subject law and sent the subject law and sent the subject law and sent to break down the

ortant question. They wanted an end I, when the commercial ratio in all th f uncertainty. At length the Wilson great markets is 30 to 1, and at the

AN IMPOSSIBILITY.

"Great and splendid and powerful as our government is, it cannot accomplish is too rotten for the approval of the the impossible. It cannot create value.

American people. American people.

"This important isw was wanting in the primary purpose of a revenue; for it failed to provide adequate revenue to meet the requirements of the government. The deficiency thus far amounts pend the law of gravitation as to attempt of dollars. The end is not yet, for the cont dollars to circuiate with one hundred reference grows day by A. This caves the treasury and the public other. An alternat to compet unlimited tredit in constant peril. Our foreign dollars of such unequal value to circurellt is impaired and domestic capital culate at a parity is had in morals and feels insecure.

THE WOOL OUTRAGE.

'The sectional favoritism of the Wilson from the beginning of the experiment how miserable and certain is the blow at sheep husbandry was an would fall. The commerce of the countries of the countries in the commerce of the countries in the commerce of the countries in the cou try would be again thrown upon the seat of uncertainty and the sceptre of want would continue to haunt us for

"Upon opening our mints to the inde pendent free coinage of silver, foreign credits would be withdrawn and domestic credits would be greatly cur-tailed. More than this, there would be a certain and sudden contraction result would follow this; enterprise would be further embarrassed, busi-
